FLOOR CARE AND MAINTENANCE

- To clean, regularly sweep or vacuum, along with periodic use of an approved no-wax hardwood floor cleaner.
- Clean up spills promptly with a soft cloth and recommended products.
- Place felt-type protectors on the bottom of all furniture and fixture legs to assist in preventing denting and scratching.
- To prevent scratches and dents, avoid wearing spiked shoes (such as sports cleats) on flooring.
- The exposure of sun, UV rays, and artificial lighting can cause the wood and/or stain to change color and/or fade over time.
- For more details, refer to Floor Care and Preventative Maintenance on harrisflooring.com.

⚠ WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safe guards for personal protection. For more information go to www.P65Warnings.ca.gov/wood-dust. TCSA Title IV Compliant.
